

Contractor Vehicle Safety

PEDESTRIANS on campus

- **Be alert PEDESTRIANS** have the right of way and are everywhere!
- **Sidewalks** are for Pedestrians
- Maintain **slow speeds** on campus—adjust speed for conditions
- Always **use a spotter** when backing your vehicle

Vehicle Rules and Regulations

- Do not allow passengers to ride in the rear of trucks
- If blocking traffic contact UMass Police before work begins
- Adhere to Work-Zone Safety Requirements when working in the road
- Ensure proper licensure for all vehicle operators (including Mass. Hoisting License requirements)
- Follow UMass Parking restrictions and requirements
- Vehicles are not allowed to idle for more than 5 min unless necessary for the operation being performed

Emergency Response

For **FIRE/POLICE/AMBULANCE**

CALL 413-545-3111

Construction projects must maintain vehicle access for emergency vehicles at **ALL TIMES**

Egresses from building must be safe and accessible at **ALL TIMES**
